RELEVANT EXPERIENCE

EXECUTIVE & VIRTUAL ASSISTANT SUPPORT | *Remote Executive, Administrative & Business Support*

- Coordinate calendars, meetings, reminders, and schedule changes while keeping communication clear and professional.
- Manage international meeting coordination, including accurate time-zone conversion, revised scheduling, follow-ups, and confirmation.
- Support inbox and day-to-day administration through documentation, data entry, file organization, and stakeholder communication.
- Research travel options and business information to support executive planning and decision-making.
- Conduct prospect and market research, client outreach, follow-ups, lead generation, and meeting booking.
- Prepare and support SEO-focused content, website content research, social media activity, email marketing, Canva design, and content creation.
- Assist with Xero-related administration, invoice preparation and tracking, payment monitoring, invoice follow-ups, accounts receivable support, and financial record organization.

SELECTED RESULTS

- Successfully coordinated an international meeting by aligning UK and China schedules, proposing a revised time, and following through to confirmation.
- Helped secure meeting opportunities through proactive client follow-up, availability coordination, persistence, and professional stakeholder communication.
