PORTFOLIO 2026

Support that keeps the details moving

Executive assistance, administration, outreach, content, and finance support in one organized workflow.

MARJORIE
BURNEA-ABANCIA

I approach every task with care, organization, and attention to detail - whether I am coordinating meetings, managing communications, researching prospects, following up on invoices, or supporting everyday operations.

WHAT I BRING

- Reliable executive and administrative support
- Clear, professional stakeholder communication
- Strong follow-up and attention to detail
- Comfort coordinating international schedules
- Flexible support across operations, outreach, content, and finance

My goal is simple:

make the workload lighter while keeping the important details organized and moving forward.

Calendar, inbox & coordination

Practical support for busy executives working across meetings, priorities, travel, and multiple time zones.

CALENDAR & MEETINGS

- Calendar management
- Meeting coordination
- Scheduling & reminders
- Availability follow-up

INTERNATIONAL COORDINATION

- Time-zone conversion
- UK / Europe / Asia scheduling
- Rescheduling & confirmations
- Professional attendee communication

INBOX & ADMINISTRATION

- Inbox support
- Documentation
- Data entry
- File organization

TRAVEL & PLANNING

- Travel research
- Schedule support
- Meeting logistics
- Preparation and reminders

HOW I WORK

I keep communication clear, confirm the details, follow through on changes, and make sure everyone has the right time and information.

International meeting coordination

A real example from my portfolio showing how I manage scheduling across countries and time zones.

CHALLENGE

Coordinate a meeting involving international schedules and different time zones.

MY ROLE

Managed the communication, proposed a revised schedule, converted UK and China times accurately, and followed up until confirmation.

RESULT

- Meeting successfully confirmed
- UK-China schedules aligned
- Clear professional communication maintained

SKILLS DEMONSTRATED
